My goodness! What a coincidence. I was on the point of writing to you to suggest a briefing with Council.

I would be very happy to join a call and perhaps if you let me know the timings I can throw the invitation open to other members of the Whois Review Team, in case they are also able to make the call.

Kind regards and best wishes for the New Year

Emily

Would it be useful to have an update from you or someone from the Whois RT so that the Council has a clearer idea of what potential policy development might be in the wings?
