Subject: [Gns-next-gen-rds-lead] Input to the RDS PDP Working Group - IRD Final Report

Sending on behalf of James Bladel, GNSO Chair

Dear RDS PDP WG Leadership Team,

At the request of the ICANN Board (see <https://www.icann.org/en/system/files/correspondence/crocker-to-bladel-11may16-en.pdf> and attached), I am forwarding the IRD's final report (see whois.icann.org/sites/default/files/files/ird-expert-wg-final-23sep15-en.pdf and attached) as an input to the RDS PDP Working Group. I am conscious that this document is already on your list of inputs to be considered, but nevertheless I wanted to ensure that you are aware of the Board's request in this regard.

Best regards,

James Bladel
GNSO Chair
