national_societies_v2

- 0 Column B - Count of the Formal Name
- 1 Column C - contains the Official National Society society name for grouping purposes
- 2 Column 1 - contains Official and Common names of their respective National Society group in English
- 3 Columns 2 through 6 - contains Official and Common name translation of their respective National Society in the national language(s)*
- 4 Column 7 - identifies the language used in the translation of columns 3 thru 7
- 5 Column 8 - comments mostly for English translations that will not be reserved in English, but documents for reconciliation purposes
- 6 Columns 9-14 - char counts of strings in Columns 2-6

* where a field is blank in column 2, but a translated string exists in columns 3 - 7 represents that no English translation existed for the Commonly used name

Intent is to list identifiers as human readable form for conversion to DNS labels usable for reservation

"-" will be removed because the DNS label generator adds them as a part of its ruleset

Tabs colored in black are prior versions of the definitive list.
