Hello Jeff,

I'm sharing FYI the blog post published yesterday on the SubPro ODP work tracks: https://www.icann.org/en/blogs/details/icann-subsequent-procedures-odp-introducing-the-work-tracks-18-1-2022-en

Also, you may have seen that the Board met on 16 January and approved a resolution on the Rights Protection Mechanisms (RPM) Phase 1 PDP recommendations, available here: https://www.icann.org/resources/board-material/resolutions-2022-01-16-en#2.a. A subset of these recommendations are identified to be incorporated into the next round work as they call for changes to the Applicant Guidebook or base Registry Agreement.

Please let us know of any questions.

Best regards,
Karen
