

# Issues peculiar to a script

*Defining “variants”, step 2*

**Dakar**  
SÉNÉGAL  
N°42 23 - 28 October 2011

# Ultimate goal

Create the operational definition  
of the term “variant” for the  
final report

# Goal 1

Develop a basic taxonomy for  
issues from each report

# Goal 2

Uncover issues that are peculiar  
to a single script

# Goal 3

Ensure issue is really peculiar to the script

⇒ Why is this script so unusual?

# NON-goal

Make fine distinctions between  
scripts on the basis of details

# Goals

1. Basic taxonomy
2. Peculiar issues
3. Be sure
