Overview of Draft Budget FY2013

[See separate document]

Billing system changes

- New accounting system > new billing module
- First invoices issued for Jan-Mar 2012 quarterly billing.
- Invoices have a different presentation, and include an aging.
- New customer ID based on IANA ID.
- New bank information (HSBC).

Other Billing/payment items

- Online Credit Card payment processing (1/3 party hosted)
- Investigating sending invoices by email
- Developing a revised collection process, which will be integrated with the Compliance workflow.
