# Use of DNSSEC in the Reverse Name Space

## Panel Discussion
## April 2013

ICANN

BEIJING
NO.46 - 7-11 APRIL 2013

# Panel Discussion

- Have you seen any new, innovative applications or uses since signing of the reverse zone space has started?

- How much of the reverse zone space that your organization has operational responsibility for is signed?

- Have you seen any operational impact related to signing of your reverse zone space?

- Do you have any insight into how much of delegated reverse zone space is signed?

# Thank You & Questions?
