OPTIONAL DURBAN DAY TOURS AND TAILOR-MADE PRE AND POST TOURS

From its soaring mountains, across its verdant plateaus, through its green hills and valleys to its long stretch of popular golden Indian Ocean coastline, KwaZulu-Natal is warm and inviting, fascinatingly diverse and multi-cultural.

The vibrant port city of Durban, the third largest city in South Africa, provides an excellent base from which to explore this province and its world-class tourist attractions. Once the powerful Kingdom of the Zulu's, a Boer Republic and a British colony, KwaZulu-Natal is rich in history and culture. This was the birthplace of Chief Albert Ntuli, the first African to win the Nobel Peace Prize, and the domicile of Mahatma Gandhi for twenty-one years. It is also home to some of the best wildlife sanctuaries in South Africa, including Africa's oldest game reserve, Hluhulwe - Umfolozi, and iSimangaliso Wetland Park, a UNESCO World Heritage Site.

We have prepared selected Half and Full Day Tours which are described in this document.

Please note that we are able to offer custom made tours should you be interested in this option for your selected group. Terra Nova is involved with a number of community based projects and can research and arrange tailor-made visits to projects, which may be of interest to you.
