

ICANN & IGAD Conferences

Tuesday arrangements:

1. The usual entrance off City-Hall Way into the KICC courtyard will be closed to vehicular traffic beginning at 06:00 to accommodate the IGAD presidential motorcades.
2. ICANN shuttle buses will not be allowed to enter through that gate. Rather, they will use the west entrance on Parliament Road into the KICC grounds, which is to the right when facing the building. Delegates will walk from the grassy area there to access the KICC. Buses will be permitted to park there.
3. ICANN delegates will continue be able to access the usual north entrance on City-Hall Way by foot after 06:00, meaning that taxis can drop people off in the usual location.
4. **ICANN delegates and staff will not be permitted to use the front entrance into the building. All access to the KICC will be through the Tsavo Ballroom, which is to the East, or left as you are looking at the building.**
5. Staff and delegates will use the stairs or elevators just outside the Tsavo Ballroom to move between floors.
6. The stairs closest to the Amphitheater will be reserved for IGAD Conference delegates. ICANN will not be able to use them at all on Tuesday.
