Countries are activated individually on a specific Conference ID as requested

- Please contact your company administrator or Adigo to request or confirm activation of specific countries.
- Additional countries available, please contact Adigo.

Special notes for mobile phone users

- Mobile phones must be from the same country as the ITFS number being used and you must be in that country to dial the ITFS number. For example: In order to successfully dial using the United Kingdom ITFS number, you must use a United Kingdom mobile phone and be located in the United Kingdom.

- Occasionally a mobile carrier or hotel may block access to ITFS numbers. In that case, please access the conference call by dialing +1 213 2XX-XXXX. Dial it as you would dial any US number.

If you encounter a blocked ITFS number

- Please email support@adigo.com or call +1 213 234 7200 and provide the following:
 - 1) exact digits dialed;
 - 2) the type of phone used;
 - 3) the number you called from;
 - 4) the date, time and timezone;
 - 5) the exact message or sound you heard; and
 - 6) the phone operator/carrier used.

Additional fees for ITFS use apply

- Please contact Adigo for rates.
