

ISOC Ecuador

We are the Ecuadorian chapter on the Internet Society, ISOC.

We work to promote digital inclusion, which is our mission and strategic vision at ISOC.

ISOC Ecuador: Objectives

- Promote digital inclusion.
- Improve Internet access.
- Formation of local leaders for the digital era.
- Support and promote the development of national political policies on ITC's and Internet, for the purpose of development.
- Provide support for the Information Society in Ecuador.

ISOC Ecuador: activities and accomplishments

- Chapter constituted in March, 2001
