- ATRT Recommendations
 - 15, 16, 17, 18, 21

Remote Participation

All rooms in
SIN have
Services

Rooms with Services

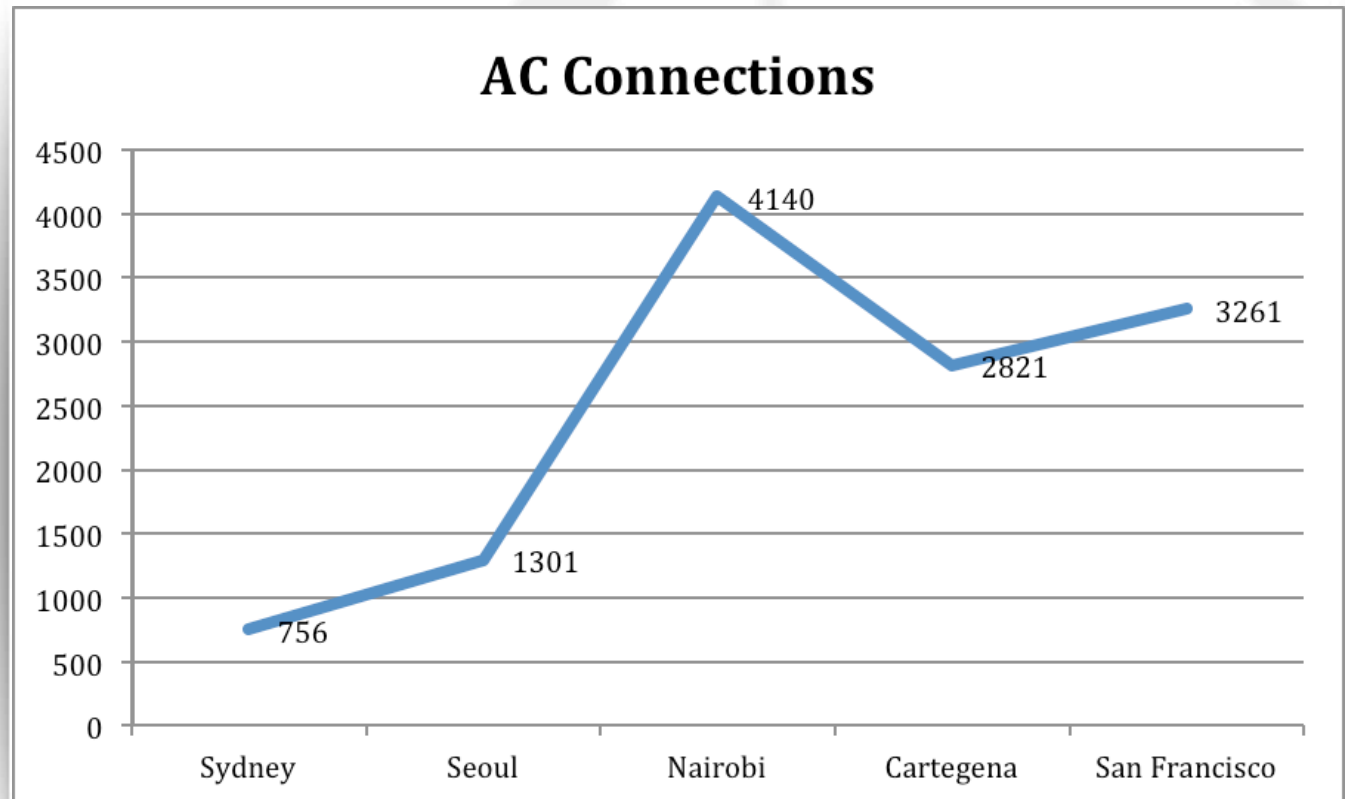

* Note there are fewer physical meeting rooms in Singapore

Remote Participation

Adobe
Connect
usage
increasing

* Note graph shows all connections from in and outside of the meeting network as well as multiple connections from the same unique user for parallel sessions at the same time

Newcomers Activities

One World
One Internet

- Started in San Francisco
- Integrate Newcomers into the ICANN Community quickly
- They leave the ICANN meeting satisfied, well informed and willing to come back
- Support new attendees by staying engaged with them

Newcomers Activities

- Guide and mentor
- Lounge area (Sun-Wed)
- Team: ICANN Community Members (Fellows)
- Well received in SF
 - Post meeting survey: 99% satisfaction

Newcomers Activities

- Sunday Newcomers Sessions by ICANN Staff
 - Welcome to ICANN
 - Policy Update
 - Remote Participation Services
 - New gTLD Basics
- New topics each meeting
- Well received in SF
 - Post meeting survey: 99% satisfaction

ATRT Plans (Phase I)

- Improved Public Comment Pages
- Easier Navigation
- Presentation of content
- Upcoming Public Comments list
- Setup of Focus Group
 - For initial consultation

ATRT Plans (Phase II)

- Public Comment on
 - Stratification
 - Comment/Reply Comment
- Incorporation of all elements to Public Comment Webpages
- Improved Forum Interface

Top of the To-do list

- Implementations of the ATRT recommendations
- Future ICANN meetings
 - Location & physical structure
 - Community engagement
 - Interaction with the Board

Thank You
