Re: Approval of Variable Accreditation Fee for 2003-2004

To ICANN:

Under Subsection 3.9.2 of its Registrar Accreditation Agreement, on behalf of the Registrar named below, I expressly approve, for the ICANN fiscal year beginning on 1 July 2003 and ending on 30 June 2004, a variable registrar accreditation fee calculated by summing fees computed for each TLD in which that registrar sponsors registrations under the Registrar Accreditation Agreement. Each registrar's fee for each such TLD shall be computed by the following steps:

- a. determining the variable registry-level fee contemplated for the TLD according to Schedule 1 of ICANN's budget for the 2003-2004 fiscal year <<http://www.icann.org/financials/budget-fy03-04-14aug03.htm>> (this is the TLD's total contribution less its fixed contribution).
- b. apportioning that fee on a quarterly basis to each registrar sponsoring names within the TLD at the beginning of each calendar quarter proportionately to the number of names sponsored by that registrar.

Sincerely yours,
