Registrar shall include in its registration agreement those terms required by this Agreement and other terms that are consistent with Registrar's obligations to RNTD under this Agreement.

3.4. Indemnification Required of Registered Name Holders. In its registration agreement with each Registered Name Holder, Registrar shall require such Registered Name Holder to indemnify, defend and hold harmless RNTD and its subcontractors, and the directors, officers, employees, affiliates and agents of each of them, from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses, arising out of or relating to the Registered Name Holder's domain name registration. The registration agreement shall further require that this indemnification obligation survive the termination or expiration of the registration agreement.

3.5. Compliance with Terms and Conditions. Registrar shall comply with each of the following requirements, and further shall include in its registration agreement with each Registered Name Holder, as applicable, an obligation for such Registered Name Holder to comply with each of the following requirements:

3.6.5. acknowledge and agree that RNTD reserves the right to deny, cancel or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, that it deems necessary, in its discretion; (1) to protect the integrity and stability of the registry; (2) to comply with any applicable laws, government rules or requirements, requests of law enforcement, or any dispute resolution process; (3) to avoid any liability, civil or criminal, on the part of RNTD, as well as its affiliates, subsidiaries, officers, directors, and employees; (4) per the terms of the registration agreement; (5) for the non-payment of fees by Registrar, including without limitation pursuant to the terms of any Credit Facility (as defined in Section 4.4) or (6) to correct mistakes made by RNTD or any Registrar in connection with a domain name registration. RNTD also reserves the right to place upon registry lock, hold or similar status a domain name during resolution of a dispute.

3.7. Data Submission Requirements.

3.7.1. As part of its registration and sponsorship of Registered Names in the Registry TLD, Registrar shall submit complete data as required by technical specifications of the Registry System that are made available to Registrar from time to time. Registrar hereby grants RNTD a non-exclusive, non-transferable,

limited license to such data for propagation of and the provision of authorized access to the TLD zone files and as otherwise required in RNTD' operation of the Registry TLD.

3.7.2. Registrar shall submit any corrections or updates from a Registered Name Holder relating to the registration information for a Registered Name to RNTD in a timely manner.

3.8. Security.

3.8.1. Registrar shall develop and employ in its domain name registration business all necessary and appropriate technological and organisational security measures and restrictions to ensure that its connection to the Registry System is secure and that all data exchanged between Registrar's system and the Registry System shall be protected to avoid unintended and/or unauthorized access or disclosure of information. Registrar shall employ the necessary measures to prevent its access to the Registry System granted hereunder from being used to (i) allow, enable, or otherwise support the transmission by e-mail, telephone, or facsimile of mass unsolicited, commercial advertising or solicitations to entities other than its own existing customers; or (ii) enable high volume, automated, electronic processes that send queries or data to the systems of RNTD, any other registry operated under an agreement with ICANN, or any ICANN-accredited registrar, except as reasonably necessary to register domain names or modify existing registrations. In addition, RNTD may require other reasonable security provisions to ensure that the Registry System is secure and stable.

3.8.2. Each session wherein Registrar accesses the Registry System shall be authenticated and encrypted using two-way secure socket layer ("SSL") protocol. At a minimum, Registrar shall authenticate every client connection with the Registry System using both an X.509 server certificate issued by a commercial certification authority identified by the RNTD and its Registrar password. Registrar shall disclose only its Registrar password to its employees with a need to know. Registrar agrees to notify RNTD within four hours of learning that its Registrar password has been compromised in any way or if its server certificate has been revoked by the issuing certification authority or compromised in any way.

3.8.3. Registrar shall not provide identical Registrar-generated authorization <authinfo> codes for domain names registered by different registrants with the same Registrar. RNTD in its sole discretion may choose to modify <authinfo> codes for a given domain and shall notify the sponsoring registrar of such modifications via EPP compliant mechanisms (i.e. EPP<poll> or EPP<domain:Info>). Until such time that RNTD implements the EPP<poll> command, Registry will contact Registrar in writing to notify of any said updates to the <authinfo> codes. Documentation of these mechanisms shall be made available to Registrar by RNTD. The Registrar shall provide the Registered Name Holder with timely access to the authorization code along with the ability to modify the authorization code. Registrar shall respond to any inquiry by a Registered Name Holder regarding access to and/or modification of an authorization code within five (5) calendar days.

3.9. Resolution of Technical Problems. Registrar shall employ necessary employees, contractors, or agents with sufficient technical training and experience to respond to and fix all technical problems concerning the use of the EPP, the APIs and the systems of RNTD in conjunction with Registrar's systems. In the event of significant degradation of the Registry System or other emergency, RNTD may, in its sole discretion, temporarily suspend or restrict Registrar's access to the Registry System. Such temporary

suspensions shall be applied in a non-arbitrary manner and shall apply fairly to any registrar similarly situated, including affiliates of RNTD.

3.10. Time. In the event of any dispute concerning the time of the entry of a domain name registration into the Registry Database, the time shown in the Registry records shall control.

3.11. Transfer of Registration Sponsorship. Registrar agrees to implement transfers of Registered Name registrations from another registrar to Registrar and vice versa pursuant to the Policy on Transfer of Registrations Between Registrars as may be amended from time to time by ICANN (the “Transfer Policy”).

3.12. Restrictions on Registered Names. In addition to complying with ICANN standards, policies, procedures, and practices limiting domain names that may be registered, Registrar agrees to comply with applicable statutes and regulations limiting the domain names that may be registered.

3.13. URS.

3.13.1. Whois Compliance. Upon receipt of a URS determination in favor of the complainant, Registrar shall continue to display all of the information of the original Registrant except for the nameservers. In addition, Registrar shall cause the Whois to reflect that the domain name will not be able to be transferred, deleted or modified for the life of the registration.

3.13.2. Registration Extension. Registrar shall offer the successful URS complainant the option to extend the registration period for one additional year at commercial rates.

3.13.3. Other Remedies. Registrar shall not pursue other remedies in the event of a determination in favor of the complainant.

4. FEES

4.1. Amount of RNTD Fees. Registrar agrees to pay RNTD the fees set forth in Exhibit A for services provided by RNTD to Registrar (collectively, “Fees”). RNTD reserves the right to revise the Fees from time to time, provided that RNTD shall provide notices to Registrar in compliance with Section 2.10 (Pricing for Registry Services) in the Registry Agreement, and with paragraph 4.1.1 below, prior to any increases in fees for initial registrations, renewal registrations or fees for registrations associated with transfers of sponsorship.

4.1.1. Revision of Registration Fees. Notwithstanding the provisions of paragraph 4.1 above, the following additional notice requirements shall apply:

4.1.1.1. Initial Registrations. With respect to changes in fees for initial domain name registrations for which RNTD is required to provide 30 days prior notice to Registrar per the terms of the Registry Agreement, in the event that RNTD desires to effect such fee changes more than two (2) times in any calendar year, RNTD shall provide 180 days notice of any such additional change; and

4.1.1.2. Tiered Registration Pricing. With respect to fees for initial domain name registrations during any period in which standard wholesale pricing for the TLD is charged on a tiered basis (“Tiered Pricing”), RNTD shall provide 180 days notice of any change in such fees. The notification on price change applies

to both a) the change in value of a tier, as well as b) the moving of one or more domain name(s) from one tier to another.

4.1.1.3. Fees for Other Services. With respect to services provided to Registrar hereunder other than initial registrations, renewal registrations or transfers of sponsorship (“Other Services”), RNTD shall provide 180 days prior notice.

4.1.2. Variable Fees. Registrar agrees to pay RNTD the applicable variable fees assessed to the Registry Operator by ICANN, as permitted by Section 6.3 of the Registry Agreement, by no later thirty (30) days after the date of an invoice from RNTD for such fees.

4.2. Payment of RNTD Fees. In advance of incurring Fees, Registrar shall establish a deposit account with minimum initial deposit of US \$30,000. All Fees are due immediately upon receipt of applications for initial and renewal registrations, registrations associated with transfers of sponsorship, or upon provision of other services provided by RNTD to Registrar. Payment shall be made via draw down of the deposit account. RNTD shall provide monthly invoice statements to the Registrar. RNTD will send Registrar a notice when the deposit is less than US \$5000. The remaining deposit will be refunded to Registrar after the Agreement is terminated.

4.3. Non-Payment of Fees. In the event Registrar has insufficient funds deposited, RNTD may do any or all of the following in its discretion: (a) stop accepting new initial or renewal registrations, or registrations associated with transfers of sponsorship, from Registrar; (b) delete or transfer the domain names associated with any negative balance incurred or invoice not paid in full; (c) give written notice of termination of this Agreement pursuant to Subsection 9.2.1; (d) pursue any other remedy under this Agreement.

4.5.4.4. Taxes. All Fees due under this Agreement are exclusive of tax. All taxes, duties, fees and other governmental charges of any kind (including sales, turnover, services, use and value-added taxes, but excluding taxes based on the net income of RNTD) which are imposed by or under the authority of any government or any political subdivision thereof on the fees for any services, software and/or hardware shall be borne by Registrar and shall not be considered a part of, a deduction from or an offset against such Fees. All payments due to RNTD shall be made without any deduction or withholding on account of any tax, duty, charge or penalty except as required by law, in which case, the sum payable by Registrar from which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, RNTD receives and retains (free from any liability with respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required.

5. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

5.1. Use of Confidential Information. During the Term of this Agreement, each party (the “Disclosing Party”) may disclose its Confidential Information to the other party (the “Receiving Party”). Each party's use and disclosure of the Confidential Information of the other party shall be subject to the following terms and conditions:

Receiving Party agrees to cooperate with Disclosing Party in seeking such order or other remedy. Receiving Party further agrees that if Disclosing Party is not successful in precluding the requesting legal body from requiring the disclosure of the Confidential Information, it will furnish only that portion of the Confidential Information which is legally required.

5.1.7. The Receiving Party's duties under this Subsection 5.1 shall expire two (2) years after the expiration or termination of this Agreement or earlier, upon written agreement of the parties.

5.2.2. Without limiting the generality of the foregoing, no commercial use rights or any licenses under any patent, patent application, copyright, trademark, knowhow, trade secret, or any other intellectual proprietary rights are granted by the Disclosing Party to the Receiving Party by this Agreement, or by any disclosure of any Confidential Information to the Receiving Party under this Agreement.

RNTD shall provide Registrar with notice of any such claim as soon as reasonably practicable after becoming aware of same, and upon Registrar's written request, RNTD will provide to Registrar all available information and assistance reasonably necessary for Registrar to defend such claim, provided that Registrar reimburses RNTD for RNTD's actual and reasonable costs incurred in connection with providing such information and assistance. Registrar will not enter into any settlement or compromise of any such indemnifiable claim without RNTD's prior written consent, which consent shall not be unreasonably withheld. Registrar will pay any and all costs, damages, and expenses, including, but not limited to, reasonable attorneys' fees and costs awarded against or otherwise incurred by RNTD in connection with or arising from any such indemnifiable claim, suit, action or proceeding.
