

Dear ICANN,

In accordance with sections 2.9(a) and 2.10 of our registry agreement, we would like to advise you that we have made the following amendments to our RRA for xn--3ds443g.

1. Updated our principal place of business location in the first paragraph and signature box.¹
2. Removed references to Afilias Ltd as our Registry Service Provider. We recently transitioned to a new Registry Service Provider, hence the RRA has now been updated to use a generic term instead of a specific company name.²
3. Updated main address and Notices information for TLD Registry Ltd.³
4. Decreased the transaction prices, as detailed below, in response to market conditions and after consultation with Registrars.⁴

TLD: 在线 (xn--3ds443g Dot Chinese Online)

Registrations: Current price \$26, to decrease to \$7.88

Renewals: Current price \$26, to decrease to \$7.88

Transfers: Current price \$26, to decrease to \$7.88

The effective date for these changes is 00:00 UTC 1 September 2016.

As per the Registry Agreement, we will provide 15 days notification for these changes to our accredited Registrars.

As required, a copy of the amendment to the Registrars and a redline version of the RRA are attached.

Regards,
