Nathalie Peregrine: Welcome all! We'll be starting a couple of minutes after the top of the hour to allow for more people to join.

Harish Chowdhary: hi
Ricardo Holmquist: good day
Nathalie Peregrine: And my line dropped :)
Svitlana Tkachenko: Hello
Delia Belciu: Hello
Philippe Fouquart: Thank you Nathalie, very clear so to do what I've just done, I need to be an observer.
Philippe Fouquart: Yes
Philippe Fouquart: thank you
Krishna Seeburn - Kris: I would also propose just in case people have some conflict of interest please make it clear as well it would help---just a good practice
Annebeth Lange, co-chair WT 5, ccNSO: It is also very useful if you in addition sign in with your affiliation as well
Sanna Sahlman: @Annebeth: do you mean that it would be useful if we would sign in and write (show) our own stakeholder group also (for example ccNSO) ?
Krishna Seeburn - Kris: yes
Krishna Seeburn - Kris: let's say: Aj - ccNSO
Krishna Seeburn - Kris: it normally helps the chairs and also staff and others
Sanna Sahlman: Good idea, I support it!
Heather Forrest: Nathalie and her colleagues are extremely helpful, so please don't hesitate to ask them questions.
Ann-Cathrin Marcussen, ccNSO: I think it is very helpful to see the affiliation also - support the suggestion from Annebeth
Krishna Seeburn - Kris: yes they are very helpful so please do not hesitate...
Annebeth Lange, co-chair WT 5, ccNSO: The sound is very bad. Falling in and out.
Heather Forrest: AC audio seems to be OK
Ricardo Holmquist: @Annebeth: just to check, in the right hand corner of your screen it is red or orange?
Emily Barabas: We'll be getting in touch with WT members soon about informal mentorship
Ricardo Holmquist: I mean the status of your connection
Krishna Seeburn - Kris: usually as the numbers grow as participants the sound through voip tends to go bad
Heather Forrest: Mentoring is an outstanding initiative!
Krishna Seeburn - Kris: so a dial out may help
Barrack Otieno AFTLD: Thank you for the comments
Krishna Seeburn - Kris: and still keep your adobe connect connections
Annebeth Lange, co-chair WT 5, ccNSO: It is green now. I am sitting in a hotel lobby in Stockholm, so it might be the connection
Annebeth Lange, co-chair WT 5, ccNSO: It is OK
Manuela Peralta 2: My name is Manuela Peralta from the Dominican Republic, I am newcomer and will like to know more about finding out a mentor to get more involved. I am part of At Large from the Latin American and Caribbean, but is my first experience within ICANN
Barrack Otieno AFTLD: Thank you too
Krishna Seeburn - Kris: thanks and please people reach out
