

Dear Philippe,

I'm writing to notify you that the ICANN Board has selected two members of the Board to serve as liaisons to the GNSO Registration Data Accuracy Scoping Team. They are Becky Burr and Harald Alvestrand (alternate); and you may already be in communication with them in this regard. This email serves as official notification of their appointments.

The Board liaisons will share on a regular basis any input the Board may have that will inform the GNSO Registration Data Accuracy Scoping Team deliberations and ongoing work.

Thank you,

Maarten Botterman  
Chair, ICANN Board of Directors
