JK

Dear Councilors,

I met with representatives of the SSAD ODP Team earlier this week and wanted to provide a short summary of our meeting.

We discussed the upcoming SSAD ODP webinar, which will take place on 23 September 2021 at 03:00 UTC. You may register for the webinar here: [\[google.com\]https://www.icann.org/en/announcements/details/register-now-for-the-ssad-odp-project-update-webinar-8-9-2021-en](https://www.icann.org/en/announcements/details/register-now-for-the-ssad-odp-project-update-webinar-8-9-2021-en) [\[google.com\]](#).

As a part of the update of the state of play, the Team also informed me that the originally projected delivery of the Operational Design Assessment is delayed due to the circumstances outside control of the Team and will not be delivered to the Board in September. ICANN org will be publishing a blog with more details in coming days. Additionally, the ODP Team will discuss this topic during the upcoming webinar.

Thank you
JK
