Re: appointment of the ccNSO liaison to the GNSO

25 May 2018

Dear Heather,

It is my pleasure to inform you that the ccNSO Council has appointed Adebisi Oladipo (.ng) as the ccNSO liaison to the GNSO.

I hope the GNSO support team will add Adebisi ([biyi@biyioladipo.name.ng](mailto:biyi@biyioladipo.name.ng)) at their earliest convenience to the relevant mailing lists and send him details of any upcoming meetings.

For your information I have included the relevant section from the Guideline: ccNSO Liaisons and Observers (<https://ccnso.icann.org/sites/default/files/file/field-file-attach/2017-04/guideline-liaisons-observers-24mar17-en.pdf>) on the expected roles and responsibilities from our appointed liaisons:

- To participate diligently and actively in the meetings and activities of the GNSO on an ongoing and long-term basis;
- To communicate and advocate the positions of the ccNSO to the GNSO;
- To report to the ccNSO on current and upcoming activities of the GNSO that may be of relevance to the ccNSO and broader ccTLD community;
- If feasible and considered relevant ask to the ccNSO for advance guidance, if any, on matters that are going to be discussed by the GNSO;
- Participate in GNSO-ccNSO Council meetings agenda committee to prepare the f-2-f meetings, if any.

Finally, as both Adebisi and Phillippe are (relatively) new with respect to their roles as liaisons, we suggest that for both liaisons we try to organise a high-level webinar to brief them on the working method and procedures of the GNSO and ccNSO (Councils) respectively. All Councillors are also welcome, should they wish to participate. If you agree, I suggest that we ask Marika Konings and Bart Boswinkel to organise such a webinar, preferably before ICANN62.

On behalf of the ccNSO Council,

Katrina Sataki,  
Chair
