Thank you for your interest to join the Standing Predictability Implementation Review Team (SPIRT) as a member.

The next step is to please follow the ICANN Join: New User Instructions to enroll yourself to the group. To get started, go to Part 1: Initial Set-up, please select the option that applies and follow additional instructions to complete the sign up for this group.

IMPORTANT: Please note, two items

1. Acknowledging and agreeing to the Statement of Participation is required and part of the join process.
2. In the "What is your reasoning for joining the group?" section, please select only one, if you are signing up for 2- or 3-year term.

JOIN Standing Predictability Implementation Review Team (SPIRT)

This is an open group formed by the GNSO Council. All persons actively participating in the review team will be considered Members and each Member of the group is required to submit an SOI in accordance with Section 5 of the GNSO Operating Procedures.

If joining as a Member, you acknowledge and accept that this Statement of Participation, as listed within the Review Team's charter, is enforceable and any individual serving in a Chair role (such as Chair, Co-Chair, or Acting Chair/Co-Chair) of this PDP and GNSO Council Leadership Team have the authority to restrict my participation in the event of non-compliance.

"Observer - Email Only" will have read-only access to the mailing list.

* How do you wish to participate (select only one option)?

☑ Member

Members are formally placed by their represented community group and are expected to attend conference calls, actively participate in online discussions, and formally participate in consensus calls (or in the case of decision-making bodies, vote on resolutions).

☐ Observer - Email Only

An "Observer - Email Only" enrollment will allow you to follow the group's mailing list (without posting rights) and to monitor the group's deliberations and event notifications for event recordings. In some instances you may be able to join active calls where Webinar formats are used.

What is your reasoning for joining the group?

I'm also interested in signing up for a [2 or 3] year term [<< please selected only one: 2 or 3]

Timezone on File (if value is blank, please update it on the "My Contact Information" tab first):

(GMT-05:00) Eastern Standard Time (America/Panama)

Next

Once completed, we will add you to the mailing list and group's roster.

In addition, please note a GNSO Statement of Interest is required to be a member of any GNSO PDP or EPDP team. Please update your GNSO Statement of Interest.

GNSO STATEMENT OF INTEREST Instructions

1. Go to your SOI wiki page: https://icann-community.atlassian.net/wiki/x/B4BdBg
2. Review and update fields as needed
3. Reach out to gnso-secs@icann.org if help is needed

HELPFUL INFORMATION:

MAILING LIST
gnso-spirt@icann.org is the public mailing list for team discussions with public archives. Observers are signed up to this list with read-only rights.

WIKI SPACE
All background documents and conference call preparation materials, as well as recordings, action items, and notes can be found on the wiki page. Please bookmark this page!
