Revised Nomination of GNSO Candidates for the Third Review of ICANN Accountability and Transparency (ATRT3) with RrSG friendly amendment

Submitted by: Rafik Dammak

Seconded by: Pam Little

Whereas,

1. On 31 January 2017, ICANN launched a call for volunteers seeking individuals interested in serving as a volunteer Review Team member on the ATRT3 (see <https://www.icann.org/news/announcement-2017-01-31-en>).
2. Under the new Bylaws, each SO/AC participating in the Specific Review may nominate up to 7 members to the Review Team, for consideration by the SO/AC leadership, for a review team of no more than 21 members, plus an ICANN Board member.
3. The GNSO Council tasked the GNSO Standing Selection Committee (SSC) to carry out the review and selection of GNSO endorsed candidates for the ATRT3 for Council consideration.
4. The SSC conducted a selection process and submitted its full consensus recommendations to the GNSO Council on 13 September 2017 (<http://mm.icann.org/pipermail/council/2017-September/020381.html>).
5. The GNSO Council approved the recommendations of the SSC on 20 September 2017 (<https://gns0.icann.org/en/council/resolutions#20170920-3>).
6. The ATRT3 was originally planned to begin shortly after the selection process was complete, but the start of the review was delayed until January 2019. As a result of this delay, two of the GNSO's primary candidates and one of the secondary candidates were unable to participate in the review process.
7. The GNSO opened an Expression of Interest in October 2018 (<https://gns0.icann.org/en/announcements/announcement-11oct18-en.htm>) to solicit additional volunteers to serve as GNSO endorsed candidates.
8. The GNSO Council asked the SSC to evaluate responses to the EOI and make an updated recommendation on the list of GNSO endorsed candidates.
9. The SSC reviewed the updated list of candidates (see <https://community.icann.org/display/GSSC/ATRT3+-2018>) taking into account the existing GNSO endorsed candidates, the criteria outlined in the call for volunteers, as well as the feedback received.
10. The GNSO Council considered the recommendations of the SSC.

Resolved,

1. The GNSO Council nominates the following three primary candidates, in no particular order: Wolfgang Kleinwächter, (NCSG) [existing nomination], Patrick Kane (RySG) [replacement nomination], and Osvaldo Novoa (ISPCP) [replacement nomination].
2. The GNSO Council instructs the GNSO Secretariat to communicate resolved #1 to the staff supporting the ATRT3.
3. The GNSO Council instructs the GNSO Secretariat to inform the applicants that have received endorsement that the GNSO Council expects that, if selected for the ATRT3, the applicant will represent the views of the entire GNSO community.
4. The GNSO Council requests the GNSO Secretariat to send a response to those applicants who did not receive endorsement for this Review Team, thanking them for their interest. The response should also encourage them to follow the ATRT3 process.
