

Dear Peter,

At its April 7, 2011 teleconference meeting, the GNSO Council approved the JIG's Final Report as referenced in the subject line of this email. (See item 6 of the meeting minutes here: <http://gns0.icann.org/meetings/minutes-council-07apr11-en.htm>).

The ccNSO Chair Lesley Cowley has today confirmed to me that the ccNSO has also approved this report.

As such, I am sending this report to you as Chairman of the ICANN Board.

The report can be found here: <http://gns0.icann.org/drafts/jig-final-report-30mar11-en.pdf>

Please let me know if you have any questions.

Best,

Stéphane
