<p>Best use of weekend session</p> <p>Continue format to focus on substance and provide background information ahead of time</p> <p>Consider moving free brainstorming / strategic session to the Sunday morning</p> <p>Continue carving out time for SG/C to meet over the weekend - consider moving it to the morning part of the Sunday which would allow continuation of discussions in the afternoon (8.00 - 10.00)</p> <p>Consider moving informal Council dinner to Sunday evening</p> <p>Get SG/C Chairs to actively participate over the weekend in the GNSO weekend sessions - formally invite SG/C Chairs to join weekend session or consider Tuesday evening cocktail?</p> <p>Consider adding SG/C positions to background briefing document or invite them to state positions on the different issues</p> <p>Consider reconvening GNSO Council at Tuesday afternoon after last SG/C meeting (e.g. 16.00 - 17.30) - informal or formal? Working session, bringing output from the constituency, but with flexibility/authority for Council members to adjust positions</p> <p>Consider having a conditional Council meeting two weeks after a GNSO meeting, in case no agreement can be reached, but additional time is needed for consideration of alternative option.</p>
