Marika Konings:Welcome to the new Councilors Webinar

Petter Rindforth:Thanks :-)

Gabriela Szlak:thanks!! Is it necessary to call in or I will be able to listen from the adobe?

Marika Konings:I think there will be audio via Adobe Connect

Gabriela Szlak:great!

Marika Konings:and you should be able to connect your microphone so you can also ask questions via your computer instead of the phone.

Gabriela Szlak:even better then!

Gabriela Szlak:well, I have tried but the system offers me to dial in...

Gabriela Szlak: anyway I can ask questions from here

Jonathan Robinson:Hi. I will dial in now. Jonathann

Mary Wong:Hello everyone.

Mike O'Connor:quick question -- how long is the call? an hour?

Glen de Saint Gery:Gabi, if you need us to call out to you please send me your number

Bladel:Waiting for the operator.....

Marika Konings:@Mikey - yes, I think it is scheduled for 1 hour

Gabriela Szlak:Thanks Glen, in Chile I do not have a phone, I use skype but the free numbers do not work so as I'm having so many calls, I try to not use my credit when it is not needed

Jonathan Robinson:Scheduled for an hour Mikey. I expect we could be done in 30 mins

Jonathan Robinson:1 minute & we'll go

Marika Konings:@Gabriela - for me the toll free US number does typically seem to work (without charge)

Marika Konings:from Skype I mean

Gabriela Szlak:I haven't been so lucky

Gabriela Szlak::(

Gabriela Szlak:I will try

Gabriela Szlak:Can you please let me know when you start? I am not sure if I am listening

Marika Konings:It has started - are your speakers on?

Gabriela Szlak:thanks

Gabriela Szlak:yes

Gabriela Szlak:no I listen

Gabriela Szlak:now I meant

Marika Konings:great!

Mike O'Connor:going great -- carry on Jonathan

Amr Elsadr:Hello all..., just dialled in.

Marika Konings:Hi Amr

Mike O'Connor:hi Amr

Mike O'Connor:Marika and I always disagree over capitalization

Marika Konings::-)

John Berard:don't need to be there; easy to participate remotely

Volker Greimann:apologies, briefly lost track of time there

Marika Konings:Some more detailed graphics and information about the GNSO PDP can be found here: <http://gnso.icann.org/en/basics/consensus-policy/pdp>

Bladel:Two lowans on the Council. :)

Mike O'Connor:part of the Mississippi Valley coalition

John Berard:How OLD is that O'Connor photo?

Amr Elsadr:I'll see you all in BA. :)

Mike O'Connor:pretty old

Mike O'Connor:i like the one with the hat better.

Mary Wong:Welcome to all new Council members and liaisons!

Marika Konings:I took the first one I could find on google ;-)

Maria Farrell:My picture has got a fair amount of mileage on it, too...

Berry Cobb:You can tell the Mikey photo is old.....not as much flair around the neck.

Marika Konings:please send me your preferred one so I can update it - presumably there will also be some new headshots of those joining the Council for the web-site.

Maria Farrell:oh no, pls keep the old and flattering one!

Mike O'Connor:that one's fine -- makes me look like a grown-up. might as well start building the illusion

Marika Konings:-)  
Bladel:Hoping we can have a copy of this deck, especially the last two slides.  
Gabriela Szlak:me too!  
Mike O'Connor:somebody isn't muted - nice ring tone.  
Marika Konings:Yes, we'll share the slides and the recording shortly after this meeting.  
Bladel:Thanks, Marika. I presumed as much. :)  
Bladel:Someone needs to mute, btw.  
Mike O'Connor:really need to mute -- whoever is on their cell. Berard??  
John Berard:I am always on mute  
Mike O'Connor:sorry... maybe the operator can figure it out.  
John Berard:No problem, I am also a usual suspect when it comes to disruption  
Mike O'Connor:agreed  
Marika Konings:we are checking  
John Berard:Are all the new councilors invited to the training program for new leaders that conflicts with our weekend sessions in BA?  
Gabriela Szlak:I am supposed to be at a Training Program, on Saturday what should I prioritize?  
Mike O'Connor:i'm on that too  
Mike O'Connor:i'm coming to Council  
Gabriela Szlak:Ok me too  
Gabriela Szlak:this is what I prefer  
Gabriela Szlak:the Council  
Mike O'Connor:we rejiggered the training session to move the GNSO stuff into Friday  
Mike O'Connor:so Council on Saturday is the plan for me.  
Gabriela Szlak:great  
Gabriela Szlak:thanks, I feel less guilty with the training program  
Gabriela Szlak:)  
Mike O'Connor:oh no... guilt is a great motivator. stay with that.  
Gabriela Szlak:)  
Mike O'Connor:oooOOooo... talk about elderly photos  
Mike O'Connor:yay Glen!  
John Berard:We should probably just go with the ICANNwiki characatures  
Mary Wong>Hello!  
Mike O'Connor:oo! i'm down wid dat, John  
Bladel:Shout out from Scottsdale. :)  
Berry Cobb:AZ Respresentin.

Mary Wong:(while on the Council, I mean.)  
Mike O'Connor:you're muted  
Mike O'Connor:still muted  
Amr Elsadr:Maria..., can't hear you.  
Maria Farrell:oh, i'm not dialling in. sorry  
Amr Elsadr:You can enable audio in the AC room.  
Maria Farrell:question was about mailinglist - not as active at all as a few years ago. why is that and how can we encourage more in between meeting work?  
Maria Farrell:thank you!  
Maria Farrell:very useful to hear and I agree very much  
Marika Konings:I'm happy to prepare a briefing on the GNSO PDP for those interested  
Marika Konings:or we can discuss that on Friday morning in BA?  
Maria Farrell:friday morning in ba might be great - tbh honest a few of us could probably do with a refresher, marika,  
Marika Konings:Happy to prepare that  
Maria Farrell:thanks a million  
Amr Elsadr:Thanks Marika. You're a champ. Going over the by-laws, the GNSO WG manual, and other docs..., I do have questions.  
Amr Elsadr:Thanks Jonathan.  
David Olive:Agreed good idea  
Maria Farrell:so sorry, hand down now. bad habit.
