

03 February 2014

Dr Steve Crocker
Chair, ICANN Board of Directors

Dear Steve and ICANN Board Colleagues,

Joint ccNSO-GNSO Working Group (JIG) Final Report on Universal Acceptance of IDN TLDs

We are writing to provide you with the Final Report of the Joint ccNSO-GNSO Working Group (JIG) on Universal Acceptance of IDN TLDs.

At its 20 November 2013 meeting in Buenos Aires the ccNSO Council adopted the JIG Final Report on Universal Acceptance of IDN TLDs. In addition, at its meeting on 12 December 2013 the GNSO Council also adopted this same Final Report.

Therefore, in accordance with the charter of the JIG, and on behalf of both the ccNSO and GNSO Councils, we submit to you the Final Report for your consideration and request that appropriate action is taken based on the recommendations of the JIG.

Please let us know if you have any questions.

Yours sincerely,

Byron Holland
Chair, ICANN ccNSO

Jonathan Robinson
Chair, ICANN GNSO Council
