- ASO
- Individual

**4. Timezone**

.....

## 5. Reasons for joining the Working Group

---

## 6. Joining as Observer or Member?

*Une seule réponse possible.*

Observer

Member

## Differences between Observer and Member

Please note that as a Discussion Group member you are expected to attend conference calls and to actively participate in online discussions.

Participating as an observer would allow you to follow the group's work on the mailing list but you can neither send to the mailing list nor participate actively in the calls. Please note you can change your status from observer to member, simply by emailing your request to the GNSO Secretariat ([gnso-secs@icann.org](mailto:gnso-secs@icann.org)).
