RE: Request for ICANN Board Liaison to the Transfer Policy Review (TPR) Policy Development Process (PDP).

Greg DiBiase
Chair, Generic Names Supporting Organization (GNSO) Council

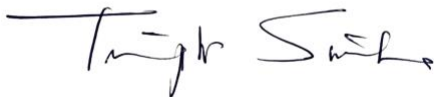

Dear Greg,

Thank you for your [letter of 4 June 2024](#) requesting a Board Liaison to the Transfer Policy Review (TPR) Policy Development Process (PDP).

Based on the recommendation of the Board Governance Committee (BGC), the ICANN Board has appointed Alan Barrett as the new Board Liaison to the TPR PDP.

Supporting staff members will facilitate an introductory call with Alan in the next few weeks to bring him up to speed on the status of the work. Many thanks to the GNSO Council for your spirit of collaboration and your participation in the ICANN multistakeholder model.

Sincerely,

Tripti Sinha
Chair, ICANN Board of Directors
