Thank you for your [letter of 19 February 2025](#) requesting the ICANN Board appoint a Board Liaison to the GNSO Latin Script Diacritics Policy Development Process (PDP) Working Group (WG).

We are pleased to inform you that Alan Barrett has been selected as the Board Liaison to the WG.

As you mentioned in your letter, the Board Liaison can help identify any potential challenges that could be mitigated by the WG, while sharing any input that could help inform the deliberations of the project and help guide the policy recommendations so they may be adopted by the Board.

Sincerely,
