Current Discussions

- Considering five 'buckets' of reviews and trying to pull out key principles on cadence, threshold for initiating and outputs
- Small group is looking at whether the Strategic Plan would have a role in a review
- Main group has been exploring Continuous Improvement Program Review and Structural Review buckets
- Will move on to 'standing review of reviews' and 'ad hoc' next

Contributing to the work

Suggested input topics:

1. What should be subject to review moving forward and why
2. What should not be subject to review moving forward and why
3. Gaps in the thinking of the CCG
4. Purpose of reviews program as a whole, and why
